“ Oh Beth,  
What can I say. My heart goes out to you and your Mama. It is a wonderful thing that Hannah has been in his life and she will remember him. I cannot even begin to imagine losing my father. I sit here with tears and sorrow knowing the months ahead for you and your mom are difficult ones. Think of times shared and good memories and the pain will eventually fade. Think of a quick passing as a blessing. Fill your heart knowing that he is in a better place and that you will see him again. It is all we can do ...I know. My heart still aches for my Joe ...its a memory that will forever be in our hearts. Its a part of who you are today. your parents have created a loving caring mother and daughter. With deepest sympathy. My thoughts will be with you and yours. Please let me know if there is anything I can do...I am a phone call away.##imported-begin##Sue Van##imported-end##
