“ Bobby was my buddy..our lives were connected back in the 60's and early 70's ..Our families were members of the same church in Hartsville, and Bobby was a year ahead of me in school...our church group camping trips during the 60's contain some of my most cherished memories! Bobby made us all laugh until we cried...we shared secrets, we danced, sang and prayed together..the bonding is ever present in my heart. Bobby Cannon was a TRUE FRIEND and I will never forget his uplifting humor and gracious honesty. My thoughts and prayers are with you all, May God Bless..
