“ Hello, I may be some relation to you but I don't know. I am sorry for your loss. I know how you are feeling. I lost my son to cancer last year. He was 27. I don't care what age GOD takes them, it still hurts all the same. May GOD bless you and keep your family wrapped up in his arms. In Christ Sara G. “ I am just so sorry to hear of your loss. I can understand your overwhelming grief at this time. Please know I will be praying for you and your family even though I don't know you. I lost an infant also many years ago and I do know how hard it can be on a family. Please know that God will comfort you during this time if you only ask Him to do so. God can give you the peace beyond all human understanding. This is my true prayer for you and your family.
Sincerely,
