“ blessings to all of you who belonged to Mrs Iris. To know her was to adore and love her. I saw Tabitha not long ago and she was telling me of her grandma's heart surgery. I made the statement that her heart would have had to break because it was just tender, it couldn't have contained itself forever. Well, ya know what I mean. I didn't see her often, but she did have the most tender heart. God keep all of you in His Capable Hands, Jo Lynn
