“ Joanne, Frances and all family, I wish you peace and rest now. I was grateful to keep up with everyone by phone. Your family's diligent, precious care of your father is amazing. All of you children, your husbands and wives, grandchildren took such precious care of your dad with a rare ease and sharing of responsibility. I admire all of you so much. The love for your dad and all of your family touched my heart.

Bless you all,
