“ Judy,
My thoughts and prayers are with you in your time of loss. Just know when things settle down and everyone goes about their usual duties, and you feel like everyone has forgotten about you (it will happen) please feel free to give me a call. I would be happy to give you a shoulder to cry on, or get together and do lunch or something to get your mind off of things for a while. Take care. I'm sure Jack would want you to go on and be happy, and you can. It may take some time, but you can, and you DESERVE it. Take Care Dale Bryant##imported-begin##Dale Bryant##imported-end##

“ *Judy - sorry I have not gotten to see you but it is just one of the
times when the right time was not available for the visitation. Will
see you later but want you to know I am thinking of you and share
your pain. But, you know, God never makes a mistake whether we
understand right now or not. Time will help us understand the
reasons.
See you soon and love you. Call me if I can help in any way.*
