“ As my mom (Lavon Gainey Johnson) or my siblings (Sherri Wallace and Jason Johnson) and myself were not acknowledged in the obituary I find this to be the only outlet to do so. We were Mr. Gainey's first family through his marriage to my grandmother Doris Ree Stephens. He chose not to have very much of a relationship with us and so we don't have the many memories that his second family are so very fortunate to have. We do still feel a great loss, perhaps an even greater loss, as we don't have those cherished memories to call upon at a time like this. All we are left with are unanswered questions and regrets that we were not allowed a relationship with our father and grandfather. Our thoughts and prayers are with his second family and we only wish the very best for them. We are happy to hear that he had so many loving family members. God bless you!###imported-begin###Lisa McVety###imported-end###
