“ I am very sorry to hear about Jack. I lived across the street from his store for a very long time and even worked there for a short time as did members of my ex-husbands family. I have many good memories of that time and I will always cherish them. I will always remember sitting in the grocery cart turned chair and speaking to the people of the community as they came and went. Many meals were served as friends spent a few minutes catching up after or before work and just spending time in fellowship. My thoughts and prayers are with the family at this difficult time.
