“ Years ago I came to Darlington Country Club to play in the Southern 500 golf tournament that Uncle Jack was involved in organizing. After a 68 in the practice round Jack was strutting around and telling everyone how HIS nephew was going to walk away with the tournament. He even arranged for me to have my own caddie. After an opening 86, Jack was distraught and pulled me aside and said "we probably don't need that caddie afterall". Sorry I disappointed you that day, Jack!

Jack, you were always an inspiration to me and I'll will miss you dearly.
