“ I spent countless hours & days with Jack at Belk. He taught me a lot. If it is possible to have fun working in a department store , Jack had the gift to make that happen.
Thoughts & prayers are with the family.

“ He was a great man - when my grandfather, John, was killed by a drunk driver a week before Christmas in 1970 at 55 years old, he helped my grandmother, Bebe, get a job at the Hartsville Belk's (Mr. Jack was with Belk's forever). She'd never worked a paying job a day in her life prior to that - this job helped my grandmother get through the tragedy of the sudden death of my grandfather - it gave her self-confidence and helped her for the last few years of her own life. A job truly gives a person purpose - she didn't need to work for financial reasons, she needed to work for purpose - my family was always grateful to Mr. Jack for this. RIP

“ Dear, Mrs. Smith, Debra, Jeff and extended family, On behalf the Embrace Hospice family and the Howard Family, I want to express our deepest sorry for your loss. Mr. Jack was always a very respected and well like man! I remember the old Belk uptown and Mr. Jack monitoring the store and always to helpful and kind. Scripture reminds us that this earth is not our home and we are only passing through, Lets be thankful of the moments we share together with our loved ones, and trusting in the promise that we will see them again. For Jesus said in John 14:6 , I am the way, the truth and the life.

Once again hold to the promise and I pray that God will hold you close as you tunnel though this process.

In His Grasp,

John "Bootsie" Griggs.
