“ Howard, I was sorry to hear of your dad's passing. He was a wonderful man. He will truly be missed by all who knew him. I will certainly miss seeing him come into the IGA and talking so dearly of his family. He was very proud of his kids and grand kids and loved you all so much. I never met your mother but from the way he spoke of her as well, she must be an angel.

If you or your family need anything, please don't hesitate to ask. All of you will be in our thoughts and prayers.

Celia I pray God will wrap his loving arms around you and your family and guide you through the days ahead. You and Jackie will always have a special place in my heart. I'm just a phone call away if you need a friend in the middle of the night to listen or sit with you. My heart aches for you because I know what you're going through. You have a church family who loves you dearly so never feel like you have to face this alone. You're in our thoughts and prayers.

“ Mr. Jackie was one of dad's good friends. They would gather together talk, cook and share old stories among friends. I learned from my father what a great man Mr. Jackie was to everyone he met. I just want Celia, Howard, Gene to know how sorry I am for their loss. The grand-daughter's were all so special to Jackie. That's what gave him that spark in life. Howard you know we love you and I am keeping you and your family in our prayers!

“ Celia, you and your family are in my prayers at this time. I have many memories of Jack from his mischievous pranks, clashes with a certain school teacher and his general caring for others. I have been gone from the area for a long time but I am sure that I will look to see him when I return to the area to visit but even though that won't happen I will see him again when we meet at the throne of our Lord. “ Jackie was a great man, I will miss him each time I look into his coner @ the lodge. God brought him home to Heaven yesterday and we must think of the "BEAUTIFUL PLACE" he is at now , especially when we think of him in the future. My father told me this before he passed and it will take the pain away &.a loving memory will appear. We must follow Jackie's example so we can join him "IN ETERNAL LIFE" .
REST IN PEACE JACK !

Celia, Howard, and Gene...we are so sorry to hear of your dad passing. He was such a kind person . I always enjoyed his presence and especially when he and my dad(Henry James) would be together at the grocery stores looking for the specials. They both had a wonderful relationship together as cousins. Our heartfelt sympathy goes out to you all. We love you and may GOD comfort you at this time of sorrow. He and dad are probably riding around in HEAVEN now and catching up with the old times. May GOD bless you and your family. love Linda James Boseman and husband Archie
