“ Dear Jimmy, "Tinnie" and Koot,

*I'm so sorry to hear about Jacky. I was talking to Gail today about the last time we saw Jacky at Daddy's funeral and how good he looked. I told him he was getting younger and I was getting older. I always felt that he would live on, and everytime I thought about him, I would remember the times when we were kids and playing behind your Mother's house in Pine Ridge. There's so many memories that I can recall so vividly...listening to the Grand Ole Opry late at night with the window open and hearing the traffic from the McBee highway. Jimmy and Jacky teaching me about catching a locust and using it to keep the gnats from bothering you. Sneaking in and getting tunips from somebodys garden and Jimmy throwing them over the fence to Jacky and me. Remembering the log cabin up the hill from Grandma Rogers, picking cotton, carrying milk from Ms. Johnsons.*

*I could go on and on, but I want you to know that Jacky's memories will live with me until I die and what a beautiful person he was. There's a special place in Heaven for Jacky and I hope I'm there with him when my time comes.*

*God bless you all and know my heart will have a empty space from this day on.*
