“ Our sympathy goes to all of his extended family and many freinds. I have known Mr. hoffman for well over thirty years and considered him a friend. Jake always did enjoy seeing my father.and cherished his memories of him. I always enjoyed seeing him around town and sharing things with him. He always semed to have a possitive attitude,even he was so sick.
This is one of many things that I will remember.

“ I worked with Jake at the old Wal-Mart here in Hartsville in the late 80's and early 90"s. I have very fond memories of him. He was such a pleasure to work with, always ready and willing to help his co-workers in any way he could and assist the customers also. He was a happy person who always had a smile on his face and a kind word. I will miss him greatly and am thinking of you in this difficult time. May God bless you.##imported-begin##Mandy Tyner##imported-end##
