“ My thought and prayers are with you Sylvia, Jimmy & Angie. Your husband/father was a wonderful man who I know firsthand was dear to you and will be sorely missed, not only by you, but also by many others. I am so sorry it has been so long since we've been able to communicate as friends should. Our lives have taken sharply different paths since those "old days". Each of you I hold dear to my heart with the impressions you made upon my life. I know that Jim Blackman had a large part in making you the precious friends you became to me a long time ago and he awaits us in the next life for an awesome reunion. I love you all I am with you in thought & prayer.##imported-begin##Marty Goodman##imported-end##

“ Dear Sylvia, Angie, & Jimmy, please know that your family has been in our prayers since we learned of Jim's illness; he was a special man! You all are like family to us, and we love and appreciate each of you though we don't often see each other. Our prayer is that God will strengthen and be near to each family member and that He will comfort as only He can do.

You have our deepest, heart felt sympathy, and if there is anything at all we can do to help you during this difficult time, please let us know.

Love & Prayers,
