*cuz - gonna miss that smile on your face. I remember being at the farm when we were all younger and having egg fights in the long chicken houses and aunt Louise saying she was going to whip our tails. We had a lot of laughs. I am so glad I had the opportunity in June to see you again. That big smile and big hug will stay imprinted in my mind forever. Until we meet again someday - may you soar high like the eagle and spread your wings and fly - you're home with our loved ones . Loving you always Pattie*
