“ I am so sorry to hear about the passing of Jamie. I have known Jamie (and family) since we were in the nursery together at church many years ago. I haven't seen him in a very long time and was unaware of his illness. He was a very nice guy and always had a wonderful smile & sweetness about him that I will always remember. I know you will all miss him greatly as will anyone else that new him. I will keep you all in my prayers for a long time to come as I know how difficult it is to try to go on without our loved ones. I know it doesn't help much but as kind as he was I know he will watch over all of you. Always in our hearts and minds - Class of "88".

Much love to you all,
