“ I was shocked to learn about your loss. I have not seen you all in some time now. Just know that you will be in my thoughts and prayers throughout this difficult time. Just remember that God has other plans for Jimmy. He will always be with you. If there is anything I can do, let me know. I will pray for all of you. Billy, I know things between us have not always been cordial, but I think about you and know your pain during this time. Just trust in the LORD always, and he will help you all through. In his name -
