“ Hazel, Ruby and Ophelia, I'm so sad to hear of Jim's passing, even though I know he is rejoicing in heaven with your precious mother. I was blessed to grow up beside your family, everybody should be so lucky. I remember when my parents were building their house, Jimmy worked with the builder, but he would come after work hours to add more nails to the structure, because he wanted to be sure the house was extra sturdy for my family. I pray that God will surround you all with His comfort and peace in the coming days. I wish I could be with you to share the sweet memories you have. I love you.

“ Hazel, Ruby Lee and Ophelia,  
I am so sorry for your loss, Jim was so loved by everyone. He was very good to Kay and I when we were teenagers after we lost our mother and was a good brother to our daddy. Grandma Rosa was kindest and happiest person I ever knew. we were so blessed to have her in our life and we used to beg to be the one that got to spend the night with her. They say you can tell what kind of a man a person is by the way he loves and treats his mother and as we all know Jim was the best at that. Love you all!

“ Uncle Jim so many fond memories of you from my childhood have come flooding back to me these last few days. I'm so glad I could be by your side with Mama, Aunt Hazel, Aunt Red, and Clifton as you left us to go be with Grandma in heaven. I know the two of you will enjoy your first Christmas there together. Love always, Shell
