I have known Jim and his family all my life. The last time I saw Jim was at a funeral a few months ago and he wasn't doing well. I told him I would pray for him and family. Jim will be missed by so many people. Family, all of you will be in my prayers, heart and thoughts. If I can do anything for you, please let me know. Love to all of you.

“ *Mama (Helen Gainey Edwards Rose) was reliving many of the memories she has of Jim. She talked about the times they played together as children. Bonnie and Jim often spent the night in her mother and stepdad's home (Pearl and Luther Reynolds). Mama now lives in Easley, SC and is unable to travel much. She extends her love and sympathy to all of the family.*

“ When I think of Jim Keith, I go back to all the memories I shared
with the Keith family. I wouldn't trade them for anything. I think of
how he was the foundation that held his family together and how he
worked hard all his life. I am reminded most how much he loved his
family! When I think about Jim and his children and grand babies, I
think of the first verse in Joe Nichols' "The Impossible".

*My dad chased monsters from the dark
He checked underneath my bed
And he could lift me with one arm way up over top his head
He could loosen rusty bolts with a quick turn of his wrench
And he pulled splinters from his hand and never even flinched...*

*Jim was a loving and involved Husband, Father, Papa, Great Papa
and Friend. He was loved by many and surely will be missed.*
