“ Today, I'm sitting in my car looking over a very historic cemetery for my family. The Tyner-Kelvin Family Cemetery, one that was also special to Richie. I have always known Richie, but I really got to know him when he and Cliff began working on our family cemetery. You could not help but get a feeling for how much Richie loved history. You get two history folks together and we could have chatted for a lifetime. Since then, we would chat at family and community events and when I would call and tell home I was visiting the cemetery. From one historian to another, thank you for your passion and love of history. Rest well my friend and tell out shared ancestors to keep the fire going for us, we will all see each other soon!

“ *Lynn and Cliff I am so sorry to hear about the loss of Ritchie. He was a great friend as well as a scooter. Then after scouting we remained long time friends. I REMEMBER one of my last times visiting Ritchie He had one of his dad's cars in the carport. I ALWAYS remembered Ritxhie and cliff being brought to the scout meetings . Ritchie took pride in that car. All I cam remember it was brown. I always called it the Howle mobile. I am going to miss the times coming out for visits and the memories. Please know that my heart felt prayers and thoughts goes out to you as well as all the family members. Always reflect on the memories that you cherished with Ritchie They will last a lifetime. May The Great Scout Master of all true Scouts be with us Till we meet again. NIGHT SCOUTS. In memory of my true scooter friend Ritchie.*
