“ Jim was such a special person. I really did not get to know him at St. Luke--only after he moved to Morningside. He was one of my Mom's best friends at Morningside and made her year when on one occasion he gave a rose. Mom's dog Duchess and your Dad's dog were best buddies--sharing their courtyard for several years.

Please know that both Dave and I will miss him very much.

“ Jimmy and Fran, Jim was such a good friend and neighbor when I lived in the little white house on Carolina Avenue with the lot that went all the way back to his yard. He would come over to see Mr. Berry and would always stop by if I was outside. I had a small garden in the back, and he and Mr. Berry helped me with gardening tips. My mother always thought a lot of him, too, in her days in the Engineering Department at Sonoco. Though I saw him infrequently since his move back to town, I will miss him. You and all of the family are in my thoughts and prayers and will be in the days ahead. In Christ's Love, Rachel###imported-begin##Rachel Adams Doyle Medlin###imported-end##
