“ *My Thoughts and Prayers go out to the Family. When I worked at United Food Mart he was a regular customer of mine. He loved my chicken n dumplins. Everytime he came to the store he would say girl when you gonna fix some more chicken n dumplins. I live close by his son .He is a really good person too just like his Dad was. When the tornado came through here it messed my roof up on my mobile home and Kelcye came to me and said Miss Lisa if you need any help let me know. So if you all need me for anything just come to my house and get me. Lisa Mckee*
