“ Billy, Chris, Phyllis and Donna. My heart goes out to all of you during this time of grief. I loved your dad very much. It won't be the same without him around, but he will always remain in our hearts. He was such a strong person and never ever complained about his disabilities. He always had a positive attitude. My prayers will continue to include all of you and remember God's arms will always be there for comfort and strength. Love to you all, Aunt Hattie
