“ *Uncle James was a wonderful man with a kind heart. When I joined the family many years ago, he welcomed me with open arms and a huge smile. I will always remember him for his kindness and his love for his family. Frank and Carolyn, he was especially blessed to have you two watching out for him all these years. I love you all.*

“ *My thoughts and prayers are with you during this time. My daddy Jake Johnson use to take us to see you all when we were little children. Can't remember which one had the fig tree in their back yard but we'd come with our grandma Bessie and daddy to pick those figs for some of the best fig perserves ever.*
