“ Hi Ann,
I knew Jaime in elementary and much of high school. I have fond memories of our school days. He was so incredibly smart! ...and so kind. I know you must miss him dearly. His passing saddens me greatly. He was a terrific guy. I hope you and the children are doing well. Take Care. In Sympathy, Jo Anna Roberts (Joey) Cary,

“ Sanderlin Family,
I just found this out and had no idea. I am sorry for your loss and pray that strength and faith will be with you during the darkest of hours. I worked with Jaime for several years at A.O. Smith and thought a lot of him. Jaime was always helpful to me and we talked a lot on the phone. He always had the moment to share when I needed his assistance and he always stopped to speak with me when we met each other in the plant.###imported-begin###Dale Shropshire###imported-end###

“ My prayers are with ya'll, but you have to think of it this way... he is no longer in any pain, he will not have to care about the cost of bill nor have to worry about his family. Be happy for him. He is still carrying out the persona of the "Big Man". He is gone to prepare a place for ya'll, just like a father would.##imported-begin##Angie Bessenger##imported-end##
