“ Sue I just recently met you through the boys friendship ( Michael & Starter) You are such a sweet, caring lady. I enjoyed meeting and talking with you, the day you picked Michael up from our house where he had been swimming. Michael is such a sweet child. You and your husband did such a fine job raising him. He will one day make you proud. If at anytime you need anything please feel free to call on us. Carson thought alot of your husband and we both will continue to keep you and your family in our prayers.##imported-begin##Carson & Elaine Byrd##imported-end##

“ Sue, Jimmy & Buddy, my thoughts and prayers are with you during this difficult time. I have so many wonderful memories of Peanut. Him being around the shop made growing up a bit more interesting. And I will never forget when I was 12 and he drove me to the ER, thankfully dad was in the truck to help keep him calm. So much laughter and smiles brought into my life by Peanut, he will be greatly missed, but never forgotten. Love you all. Jean###imported-begin###Jean Poston Braswell###imported-end###
