I am so saddened by the loss of Jane. She was such a beautiful, loving and caring person. I did not know until yesterday, just prior to Patrick's beautiful poetry being recited in the 9/11 Service, where one of my sons was performing with HMS Magnet Chorus. My heart aches for you. For some reason when I was in the neighborhood Friday night, I felt compelled to drive by the house. I reflected on how blessed my late daughter, Caroline, Moma and I were to have had such a wonderfully loving family "adopt" our home, "Four Chimney's", when we moved away back back in the early 90's and shower it with the loving care. I just could not get your family off my mind and was shocked when Suzanne told me of Jane's passing when I saw here at Coker. My prayer is that God will wrap you in His comfort as you continue your journey through grief. Jane LOVED each of you so very much and set an amazing example of the importance of family. If I can be of any assistance, in any way, please know that I am here for you.
In Christian Love,
Rebecca Skinner
