“ You beautiful woman. You sure will be missed. a beautiful smile and a heart of gold. We sat on the porch a lot and drank wine and watched the birds and talked or we would go for country rides and get us a frosty from Wendys. That chocolate sure made your eyes sparkle. I love you and I know you loved me because I could feel it in my heart,. we loved those old dancing and singing movies. Singing in the Rain and Easter Parade. The whole family s just awesome, I love each and every one of you. I had a great time with you and will never forget you. you imprinted on my heart.
