“ *Janet was the best friend a girl could ever have grow up with. We loved, laughed, and cried together during those years. We grew up in church together. We lived practically beside each other and I spent most of my free time at her familys home. Such wonderful memories of playing games in the living room floor while Tony tried to mess up the game, watching Kathy and Diane getting ready for dates with Jimmy and Randy and thinking I could not wait to be able to date, chocolate bread pudding, and learning to make stuffed squash. Janet even saved me from drowning at the Lakeview club pool one summer and I almost drowned her in return when she came out to save me. Afterwards she said she did not know what she was thinking. Cutting school in Sissy's Burgandy Ford, well only once, and that was enough. Cutting the Rainbow and the Pig in my sisters Mustang. Later in life she graciously share Rhonda and Paul with me when they were little, I don't think I ever thanked her for that, but I should have. What at wonderful, loving, and kind person I had the pleassure of having in my life. I was truly blessed.*

“ Janet was always one of the greatest friends a person could ever have. We loved, laughed, and cried together over all the years we shared . We lived practically next door to each other, and I spent most of my summers at her house. We went to church together. Cut the Rainbow and the Pig together. Cut school together(well just once.) She even saved me from drowning at the Lakeview Club pool one summer, which when she did I almost drowned her in return. I will cherish the memories of eating bread pudding at her house as a teen. Learning to make stuffed squash. Playing games in the den floor,with Tony trying to mess up the game. Watching Diane and Kathy getting ready for their dates with Randy and Jimmy. Thinking I can't wait until I can date! Going to the beach on Easter Break together. Later on , the wonderful times with Rhonda and Paul. I should have thanked her for so graciously sharing the two of them with me when they were little. Such sweet memories! Memories of a sweet, kind, and loving person who had the sweetest smile and the kindest heart who gave of herself unselfishly to all.

Love you Janet

“ Dear Carl, Rhonda, Paul and extended family,
On behalf of Embrace Hospice and the Howard Family, I would like to express a heartfelt sorrow for your loss. In the book of John chapter 14, reminds us that in my Father's house are many mansions; and if that were not so, He would have told us and He has gone there to prepare a place for us, that where He is we shall be also. This earth is not our home, and we are only passing through this land, so hold on to the promise, for one day we will see our loved ones again. My prayer is that God will continue to hold you close during this difficult time as you find His strength as you press on.
