“ Aunt Janice always was a delight to be around. She would ask us to come stay with her every time we saw her, but we never wanted to unconvincingly her, so we'd decline. We will miss her greatly. Love her so much!

Janice and I were friends for many years. We first met when we worked together in Purchasing at Sonoco. When I came to Wesley Chapel as Music Director she was a faithful member of my choir. She was a vivacious, happy person...Always laughing and on the go. We had so many good times together that I will always remember and cherish. We haven't been together much in the last few years but I'm sad knowing that she's no longer here. I loved her. But, I'm also happy for her that she is now singing in the angel choir and walking the streets of gold with her Bill and friends and family. Craig, Cathy and family, Mike and I send lots of love and prayers for peace and comfort. She was one of a kind.
