“ *I only got to know Mr Hatchell "Daddy" after Doug married into the Hatchell family. He was so amazing to his new extended family. I loved how his logic worked. He would keep his trusty toothpick in the 'T' section of his little pocket address book. He was such a warm and friendly man, with a huge heart. My prayers and thoughts are with you during this hard and trying time. God Bless.*

“ LaDonna-You and your family have been and will remain in our thoughts and prayers. I do understand how hard it is to lose a parent (loved one). I would tell you it gets easier as time goes by but you just seem to cope with it a little better. Just remember that he is now no longer sick and is in Heaven with Our Lord and that alone will help to ease the pain. We love all of you and no matter what, we are here for you, if needed.

“ I knew Mr. Hatchell, for a long time. I always found him to be tough, but fair. All the years I knew him, he was always a Christian, and he was never ashamed to tell someone about Jesus. To Elvis, Marsha Lee, Rita, Loretta, Sandra, Lois, and LaDonna. You are all in my prayers, and I am truly sorry for your loss. Even though we don't always understand, we know he is in a better place. Hardworker, honest, Prayer Warrior. I remember the first Sunday School lesson he taught me over 55 years ago, I remember him walking the halls of old Byerly Hospital and praying for anyone and everyone, I remember him praying for my mom in the hospital for two (2) solid hours in his old age, I remember him always having an encouraging word for everyone, I remember his smile, I remember his favorite song> Those that wait upon the Lord, shall renew their strength> to the family: his strength has been renewed and I pray that he saves all of you a "seat at the table" when we get to get King Jesus !

*31)But they that wait upon the Lord shall renew their strength; they shall mount up with wings as eagles; they shall run, and not be weary; and they shall walk, and not faint. Isaiah 40:31KJV
We LOVE you ALL. Praying.*

“ *To Sandra and the rest of the family, our thoughts and prayers are with you. I'm sorry to hear about your daddy. I know you all will miss him . He was a good christian man and I'll never forget the times he would pick me up for church on Sundays. I always felt at home when I was over at your parent's house. Mr. J.E. was tough, but in a loving way. I know he's in a better place and you will see him and your mama again one day. I know he loved his children and appreciated the love and care you all showed him. Praying for you in the days ahead, I've been there and it's not easy but God will see you through the hard times. Love always, Robin Futrell Stroud*

Mr. Hatchell was a big part of my childhood days. I remember him outside praying for the lost souls in our community. The sounds of prayer I have never forgotten. May God bless and strengthen you during this time of loss.

“ My uncle J E was a big part of my childhood. I never saw him without a smile on his face and Jesus name on his lips. Though I hold fond memories of the man he was and how he helped my grama Marie wadford, I think that the best moment ever was Sunday afternoon when I went to see him for the last time on earth and that minute I felt the power of God and now all I want to do is praise his holy name and carry on what uncle J E and my nanny always wanted for everybody. I was in the dark for many years yet it only took that one moment with deloris and Dianna and my mama there with me and I know he was prayin too. I thank God for you and I know that yore so happy right now. Walkin the streets of gold like you always talked about. But I will carry on that word of God as long as I am on earth. Thank you Jesus for if nothin else but the last moments I had with my wonderful uncle who through you changed my life forever. In the name of Jesus I pray for strength to keep that circle unbroken.
