“ Be still, my soul: the Lord is on thy side; Bear patiently the cross of grief or pain; Leave to thy God to order and provide; in every change he faithful will remain. Grandma and Papa, when I came across this I had to write it down. Jeff was a loving, tender hearted person. He had a smile that was contagious. It's amazing how the simple things in life gave him such enjoyment. I pray that his dying words will touch just one soul. May God give this family much comfort and love during this time of grief. “ I met Jeff several years ago and we had a very loving and special relationship. I grew to love him and his beautiful daughters very much! Heather and Holly call me their step mom! We have all shared many fond memories...our sock fights which Jeff always started, fishing and hunting trips, cookouts, rubbing footsies and many many long talks!! Jeff was always smiling with a positive attitude and such warmth! He always lifted me up when i was down! He is one of the most unique people i have known and as he would say "a true soldier" I will miss him so very much!
