“ Lynn how I am going to miss you, my heart broke when I got the call at 1:30 a.m. that you were gone. Lynn helped raise me from a new born baby and was a second mama to me. She may be gone home to heaven but her memories will be left here for us all to cherish. Lynn would always put others before her and would always cheer you on no matter what battle she would be facing. I can only imagine the look on her face when she opened her eyes in heaven yesterday morning. I have laughed and cried ever since knowing that she made it to heaven and is no longer in pain and has a new body. Lynn has earned her reward and mansion. I can't wait to get to heaven and see her again. She leaves behind a legacy that will live on forever in the hearts of everyone that knew her. I love you my Linnie-Pooh
