“ My dear Beth, your mother Jennie And I were devoted friends for many years. We met many times at Boyd Powe and various places for lunch. We had occasion to double date, her & Jack and Harrison and I, I shopped with her on a regular basis at Buyck-Coward she ordered many special outfits for me during my hayday!! Her clothes were classic and I still have many of them. After she left Rambo's we didn't see each other as much, we were busy with grandchildren and health problems, all of us. I loved her very much and she loved us and was so good to us. Harrison and Jennie are probably saying hello right now their suffering is over and they are at peace. I will keep you in my prayers. Your friend Linda Martin, we will talk soon at "Bigs". I love you.##imported-begin##Linda Martin##imported-end##
