“ Dear Moma,

*First of all I LOVE YOU and I MISS YOU.*

*You were the best mom that anyone could ever have. You were my best friend. You were there for me no matter what when on in my life. Your love for me was unconditional and I will never forget everything you did for me. You taught me what it means to be a christian and how to treat others. You were such a giving person who would do for others. We had so many good times and all our talks I will never forget. I am so proud and thankful that God gave me such a wonderful mother. The love we had for each other will go on forever. I just hope and pray that I can be the mother to my children that you were to me and a friend to others like you were to so many. There is so many things that I didnt get to tell you and so many things that I still want to ask you. I just hope you know that I will try and do everything I can to keep our family together and to help us all make sure we will see you again one day. I know that I would not be the woman I am today if it were not for your guidance direction and love. I just hope that you know how much I LOVE YOU and MISS YOU. I know I have a wonderful guardian angel that will continue to watch over me. I can just imagine what it was like for you to see Jesus. I know he was so proud of you for all of your good works and for trusting and keeping your faith in HIM. What a great thing it is for you to be sharing Jesus' birthday in his presence. I will never forget you and your love with be with me and my family forever. Till we meet again my sweet moma.*

*I love you to pieces too*

“ Crystal,  
I know I don't have to tell you how wonderful your Mama was and  
how much she meant to me because you know that I loved her very  
much. She was such a good hearted woman and I will always be  
grateful for the wonderful times we had together. I have read and  
reread the drawer full of cards and notes she has sent to me over  
the years and I cannot even begin to tell you how I will cherish her  
words forever. She always told me that she felt blessed to call me  
friend, and I would tell her I am the one who is blessed to have her  
as my friend. I am TRULY blessed to call Jennie Talbert my friend.  
She was so good to me and during my most difficult times with the  
death of Grandma and Daddy and with Kaylee's illness, she proved  
to be a true friend. I made a promise to your Mama that I would look  
after you and be there for you and I will keep my promise to her. I  
am here if you need anything at all. You are very special to me and  
I'm blessed to have you as my sister.
