“ Ted, Susan and Donald: I am saddened and shocked at hearing of the loss of Jennifer. When I knew her best, she was a lovely, kind-hearted young lady with so much potential. Words cannot express my feelings nor console you at this terrible time. I hope you can find strength in the joy of Blake and Dara.

Please know that Jennifer, the children and each of you are in my thoughts and prayers. Mitzi###imported-begin###Mitzi Teel-Javers###imported-end##

“ She was a shining light in your hearts and I know she will be so very missed, but know that God has her now and she is not suffering, nor is she being tormented within her mind - she is at peace. And what better way for her to be at peace than to know that as an angel she can watch over her children, and her parents... God bless all of you and watch over you and help you through such a horrific suffering. Our prayers will be with all of you! Our deepest sympathy =

I saw a beautiful girl's picture in the paper and because she looked familiar I had to read about her. To my surprise, she is your daughter - looks like her mom.
