“ On behalf of Embrace Hospice, and the Howard Family, I would like to express a heartfelt sorrow for your loss. I remember how kind Jerry was to me when I worked and Sonoco. I trust the family will find comfort from the words in the book of John chapter 14, that reminds us in My Father's house there are many rooms; if that were not so, He would have told us and He has gone there to prepare a place for us and He will come and receive us that where He is we shall be also. He is the way, the truth and the life!  
Family, this earth is not our home and we are only passing through this land, so hold on to the promise. My prayer is that God will hold you close as you press on.
