“ I was so saddened to hear about Mitchie. I have known Mitchie most of our lives, School. Whispering Pines. He was a very special and he would always brighten your day with that Smile. Praying that God will wrap his arms around you and give you a peace only he can give. There is nothing no-one will say to you that will help, but if you will open your hearts. God will help you through it even though right now it does not feel that way. Renn Purvis Webb
