“ We just heard and were so shocked! Punk will truly be missed. I will never pass the grove of trees by the bermuda field without thinking about him. I read a quote from the famous golfer who has battled cancer that said something like "we aren't living toward dying, but we are dying toward living!" Punk suffered so much. May God's peace be in your hearts for we know that you loved and cared for him! Blessings! Helen and Charlie##imported-begin##Rev. Charlie and Helen Short##imported-end##

“ Dear Mr. Jerry and Mrs. Sylvia: I had the pleasure of going to school with Punk for 12 years - those of us that started in the 1st grade together at McBee Elementary bonded and our friendships got tighter with each year - Punk always looked out for his "girls" - he was always smiling and looking for something to make each day memorable at McBee High School. I will never forget the times we had. The saying goes to have a friend you must first be a friend - well - Punk has broken the record - he was always a "true friend". I pray that the many fond memories will give you peace.

I am saddened to here about Punk leaving us behind. But I rejoice that GOD did heal him, and one day we will see Punk in his new body. I will continue to pray for our Savoir to place his strength upon each one of you. This is definitely a testimony changer for all of you, but continue to tell others that our Mighty God is in control. Think of it this way, Punk is riding around in a old pick-up truck, and Jesus is sitting in the passenger seat and they are laughing together as they just talk and ride.
