“ Jerry was a father figure for me growing up. I spent as much (or more) time there than I did my own home and he always treated me like one of his own children. My memories of those days are very precious! His family was my family and always will be! My heart goes out to Louise, Ramona, Jerry and Candy as they go through this time. Draw strength from each other and your faith. I love you all and if you need anything I will be there. With much love!
