“ Karen and Gayle, we were deeply saddened to hear about Jessie. She was a very special friend and a "classy" lady. We have had some wonderful times over these many years before she and Clyde had health problems.

We shared so many joyous memories while they were active in the Jeepsters and Red Fez. She loved her family and you have been especially kind and caring to her. She has had some difficult years but know that she is now in a very special place and will be watching over her loving family.

“ Gayle, Karen and family - My heart breaks for you to hear about Ms. Jessie. I did not know your Mom long but she was a very special lady. I know that she is proud of you for taking such good care of her. She is lucky to have such a great family. I can remember the last few times I would see your mom and dad at church, I always thought they made such a cute couple, and he always opened the door for her. I thought that was so sweet because you don't see that happen much these days. I know she will be greatly missed. God has chosen a special angel. May God give you the strength to get through the difficult days ahead. Cherish all the memories and she will live on through you. I am just a phone call away if you need anything or just need to talk. I will keep in my thoughts and prayers.
