“ I am so sorry to hear about your Mom, TJ. I will NEVER forget watching ECU come back to beat Miami while playing at N.C. State because of Hurricane Floyd. I can remember looking back at your mom behind me thinking she is having the time of her life!!! That was a very special memory for me. Just know she is with your Dad in heaven. Be strong TJ. “ *Jessie and Tommy were my first customers around 20 yrs ago. Over time they became more than that. Tommy loved his pool and Jessie had us to continue to keep it up even after his passing. Jessie was one of the sweetest ladies I knew. Would always come out and talk when I came to clean or check on the pool. Sometimes i would just ride out to see her and sit around and talk.*

“ *Jessie was one of the first people to reach out to me when I moved to Hartsville 5 years ago. She kindly played pickleball with me even though she was so much better at pickleball than I was! She also always greeted me with a warm smile and hello in our dance exercise class at TB Thomas Sports Center. I will miss her, and more importantly, hope that her memory will be a blessing to her family.*
