Mrs. Tindall was my 7th grade teacher and we all admired her for the way she taught all of us. I never have forgotten her all these years.

She was also my seventh grade teacher and made A very significant impression, especially awakening a life interest in SC history. I saw Jewell two years at the care facility on Hwy 151 Bypass. We had a great conversation, discussing our field trip to Charleston and the “little orange Sims SC HISTORY BOOK. What a joy. She still had the same high interest in history and actually remembered me. A great, cheerful, exuberant lady!

“ She was a rock and encourager in my high school days, which influenced me in so many positive ways. We sat together at the head table when the Bishopville High School class of 1961 had our 50th anniversary celebration at the Opera House. She was a good friend of my mother and our family. A real worker, she gave time and energy serving her community making it a more livable, artistic, civic and greater place to call home. Rest In Peace, Mrs. Tindall.
