“ I had the opportunity to come to know Joan while we were both employed at Saleeby Center. We laughed a lot and she always had a bit of advice for you. The last time I saw her was after I had gone out to her home to pick pears from her tree. Generosity was another one of her attributes. She often talked about her daughters and grands! Life will be bitter-sweet with out her, but let it be more sweet than bitter.##imported-begin##Leslie Williamson##imported-end##
