“ *Daddy, I can't believe it's been 2 years today since you left us. In some ways it feels like it was only yesterday that we were together and at other times it feels like it's been an eternity since I last saw you. I can tell you that I miss you so very much and life hasn't been the same for any of us since you left. Not only is there an empty chair at the dinner table but there is a void that only you can fill. Until we are together again, please know that I love you and I'll always consider myself blessed to be able to call you my "Daddy". With all my love,

“ *Kaye - I'm so sorry for your loss. I know how much you loved Mr. Joe and his love for you was just as evident. The two of you together were something else. He was one of the sweetest people I've ever met and I had grown to love him so much. I'll always be here for you.*

Bill/Carole - I know what a loss this is for you. Mr. Joe loved you both so much. You were blessed to be given a daddy like him when you own daddy was taken from you. Not everyone gets that chance. We'll all miss him. We love you.###imported-begin##Jodi and Mike###imported-end##

“ *Dear Kay, Tammy,Bill and family,
Christian, kind, loving, gentle, caring, honest, daddy, papa, friend,
hunter, fisherman, these are just a few of the things that I can
remember about Mr. Joe. From the first time I met him, he
embraced me with a hug and a kiss and told me he loved me. I
always enjoyed sitting with him and listening to his stories of his life,
his family and his fishing and hunting. I have never met such a
wonderful person with such a love for everyone he met. I know from
talking with him how much he missed his brother Marion, and now
he is with him. I know you are going to miss his smile and touch
here, but you will see him again one day and thats the peace that
you can hold on to. He loved you all so much and hated to leave
you, but God wanted him to be with him now. I truly loved him and
will miss his smile. You know I love your family and I will always be
here for you for anything you might need. God bless you all and
please know you are in my thoughts and prayers every day.
I love you all,*
