“ So sorry to hear about Steve. He was a great guy with a big heart. I can't help but laugh when I think of him, he could always make you smile. I remember the days of working with him at Southern Office Supply. He would come into our office after making his deliveries and he would always have a story to tell. There's a couple that come to mind every time I think of him & I still, to this day, laugh so hard, it makes me cry. Johnny, you & your family are in our thoughts & prayers.
