“ I met Jack at the YMCA through Francine. I've known them for quite a few years. Jack was such a delight to know. We exercise together quite a bit and even with some old football injuries and other medical challenges he did awesome. He never gave up and was always up for a challenge. My heart goes out to Francine and her family during this tough time. Take comfort in knowing, God willing, and in our own time, we will all meet up again in heaven.

“ As a classmate of Jack's, Collegeville-Trappe High 1956, I can say he was a great guy. He was a leader, athlete, friend, and always smiling. It was a pleasure knowing him then and now remembering him! Deepest condolences to the family, he surely will be missed.

*Most sincerely,

“ There are very few people who impacted my life more than our friend and business partner, Jack. Having been a part of Jack's organization at Sonoco for more than 25 years, I learned so much about integrity, effective business practices, treating people with respect, encouraging others, leadership, and building a winning team. Jack left a sustainable legacy with so many and his impact will continue to be felt by all of those who had the fortune to work with and for him. Francine, you and Jack, welcomed our family to Hartsville many years ago and we will be forever thankful. Our thoughts, prayers, and Hugs go out to you and your Family.
