“ *Jonna, and family*

I was sad to hear of Mr. Johns passing he loved to hear evan play the piano in church, and would always ask her when she was going to play again when she did not play.

Jonna, I keep thinking about the times when I would spend the night with you and we would come in past the curfew, I would step on that squeek in the floor every time. He would always laugh the next morning and say I stepped on that squeek. Remember all the good times, there were many with him. He was always laughing at us or with us. Call me if you need anything or just want to catch up.

Love you all

“ I would like to express my sympathy to the family. I hope you are finding comfort in the time you spent with your dear loved one. Please find comfort in the hope expressed in the Bible at Revelation 21:3,4 where it tells us that mourning, pain, and death will be things of the past. I hope you find comfort in this hope. Feel free to email me to comment or if you have questions. Again, please accept my condolences.##imported-begin##Margaret##imported-end##
