“ *My first born nephew, Jay Lee, you now have your wings so you can "Fly High". All of us loved you from day one of your life. You were "our" baby. You will truly be missed by all. To know you was to love you. Your humor was so witty and you made us laugh. This past weekend was wonderful because we laughed and spent so much time together. You had finally found your true love and the Angel of your life. We all love you and will take care of things here. I Love you Jay and Miss you so much.*
