“*Margie and family. So sorry to hear of Roger's death. He was such a pleasant gentleman, always willing to help others. Over the years he was such a good friend to both Charles and me. He will be missed. I will miss the grapes from his vineyard. He had the best. He was always ready to deliver one of your delicious cakes to our house to keep me from having to make the trip to your place.....He was coming into town anyway. Those were the traits that made him so special, always going out of his way to do a good deed. Prayers for all during this time of grief.*”
